Re: KRIZ Broadcasting, Inc. (KBI)  
KRIZ(AM), Renton, WA  
Facility Identification Number: 35549  
Special Temporary Authority (STA)  
BESTA-20190611AAY

Dear Mr. Bennet:

This is in reference to the request filed on June 11, 2019. KBI requests a further extension of the STA originally granted on June 14, 2010, to continue operating using one of the co-owned KYIZ(AM) towers to allow time to file the required FCC Form 301 application to propose a new permanent facility (due to loss of the licensed site).<sup>1</sup> In support of the request, KBI stated that additional time will be required to prepare and file the application.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

Accordingly, the request for extension of the STA IS HEREBY GRANTED, and KBI may continue to operate with the following facilities:

Geographic coordinates:	47° 26' 28" N, 122° 12' 10" W (NAD 1927)
Frequency:	1420 kHz
Hours of operation:	Unlimited
Operating power:	Not to exceed 0.25 kW day, 0.125 kW night
Antenna:	KYIZ(AM) Tower (BL-20120706AFT)

---

<sup>1</sup> KRIZ(AM) is licensed for DA operation on 1420 kHz using 1 kW day and 0.5 kW night.

Radiator height  
ASRN:

77.9°  
1261002

KBI must reduce power or cease operations if complaints of interference are received, and use whatever means are necessary to protect workers and the public from exposure to radio frequency radiation in excess of the Commission's exposure guidelines. *See* 47 CFR §1.1310.

This authority expires on **February 1, 2020**.

Sincerely,

A handwritten signature in blue ink, consisting of a large, stylized 'J' followed by a series of loops and a long horizontal stroke extending to the right.
